

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

AN UNPOSTED LETTER

How bitter must the smile
Of the wise Future be
Behind her veil!
O letter of last year,
Can my hopes and aims,
 Like moons,
Have changed so?
Those dead desires,
Like shriveled fruits,
Hang, shamed,
On the bough of time.

NOCTURNE

The veil of light slipped
From the sky:
Only greyness.
And in the valley
One home light—
Not mine.

I most remember, then,
Shadows of boughs
Lattice-wise falling
On white walls
Of my home
Beneath the moon.
